### **General rules of the camp**

According to many years of summer camp, we fixed some big lines regarding behavior during the camp. These lines are a guideline on the way to harmony and perfect training ambient. Thanks in advance to apply. Thanks you for reading and taking it like a life motto during your stay.

- Being respectful with all members of the camp ( Coaches, skaters or other people in the center)
- Giving the best everyday at every training session to reach my personal goals
- No tobacco, no drugs, no doping products and no alcohol in any case in the center
- No entertainment communication allowed in the rooms between 22:00 and 7:30 for a better quality of work on and off-ice and to prevent injury due to bad quality resting time. Entertainment communications mean laptop, tablet or smartphone communications like messenger, skype or equivalent and sms phone communications. The phone could stay with for only important use.
